Even when you live well, accidents happen. Treatment can be vital to recovery, but it can also be expensive. And if an accident keeps you away from work during recovery, the financial worries can grow quickly.

Every 10 minutes, more than 700 Americans suffer an injury severe enough to seek medical help.¹

Most major medical insurance plans only pay a portion of the bills. Our coverage can help pick up where other insurance leaves off and provide cash to help cover the expenses.

With accident insurance from Allstate Benefits, you can gain the advantage of financial protection, thanks to the cash benefits paid directly to you. You also gain the financial empowerment to seek the treatment needed to get well.

Here's How It Works

Our coverage pays you cash benefits that correspond with a variety of covered occurrences, such as: dismemberment; dislocation or fracture; hospital confinement; ambulance services; and more. The cash benefits can be used to help pay for deductibles, treatment, rent and more.

With Allstate Benefits, you can protect your finances against life's slips and falls.

Are you in Good Hands? You can be.
